

ACTIVITIES

We keep busy!

Besides the monthly meetings with varied programs, we have scenic drive, visits to museums or attractions, picnics, occasional over night trips, get-togethers with other clubs, tech sessions, etc.

SPOUSES

We encourage spouse participation in all club activities. In our club, spouses are not restricted to an auxiliary or the refreshment committee. They are first and foremost, club members with the right to vote and hold office.

Our activities are intended to be fun for all, as we don't want half of the club in a corner while the rest talk carburetors!

WELCOME

Hello! Thanks for your interest in our club! We are a diverse group of over 100 people who appreciate Corvairs and enjoy friendly social activities around them. We have members of all ages and types; some singles of both genders, and some large families. Anyone who appreciates fun cars is welcome.

You do NOT have to own a Corvair to belong, but if you are looking for one, we will help you find one that suits you.

The Circle City Corvairs Club is a chapter of CORSA, the National Corvair Association. CORSA membership is encouraged for the many benefits it brings, but not a requirement.

MEMBERSHIP

Dues are \$20.00 per year. Members receive a monthly issue of our newsletter "*The ValveClatter*", which features news, tech articles, photos, the club calendar and often recipes and cartoons. Members also enjoy unlimited access to the club's website.

RESOURCES

A club's greatest resources are it's members, and in this we are rich! Among our members are half a dozen full and part-time mechanics, including contributors to the CORSA tech guides and manufacturers of Corvair parts and equipment. Anyone can offer advice, but we offer years of experience! If you have problems with your car, our membership can help guide you to a solution.

LIBRARY

Circle City Corvairs has a large library of various books and manuals. Whether you just want to learn more about the Corvair and its history, or you need help in making a repair, The CCC Library could be the place to start. All are available for check-out to our members.

CLUB STORE

Jackets, t-shirts, note pads, hats, decals, and other Corvair related items.

CLUB WEBSITE

Features the club calendar, newsletters, photos of club members & their cars, past events, videos, a library listing and much more!
